Principal's Message

Dear Parents/Guardians,

Our Annual Johnson School Art Walk will be this Wednesday, March 16th, from 5:30-7pm. During this event, you will be able to view hundreds of pieces of art work. I am sure you will marvel at our children's creatively and artistic abilities.

Please join me in celebration of our MathCON participants and finalists. On Monday, February 22, 2016, a group of 32 fifth grade students at R.M.T. Johnson Elementary School elected to participate in the first online round of the 8th Annual National MathCON competition. During the online round of MathCON almost 45,000 students, from more than 330 schools in 42 states participated. Out of these students 200 have been selected to compete at the MathCON Finals at the University of Illinois in Chicago on April 23, 2016. Johnson School's Suhani Kashyap and Sarah Alvero were invited to participate in the Chicago finals! Konotey Sackey and Michaela Louch received recognition for Honorable Mention on the MathCON 2016 Online Test. Congratulations to all those who participated in the MathCON competition.

Please save the date-

Berry, Rockwell and Johnson School are hosting their 1st Annual PreK-5 Family STEM (Science, Technology, Engineering and Mathematics) Night on May 3, 2016 from 5:30-7:30 at Berry School. This night is an opportunity for children and their families to roll up their sleeves and experience hands-on activities and projects in the STEM fields.

STEM is an acronym for Science, Technology, Engineering and Math education. We focus on these areas together not only because the skills and knowledge in each discipline are essential for student success, but also because these fields are deeply intertwined in the real world and in how students learn most effectively. STEM is an interdisciplinary and applied approach that is coupled with hands-on, problem-based learning.

We have many exciting STEM stations to visit including (but not limited to)

- 3-D Engineering GEOMETRIC BUILDING
- Rubiks Cube Solution Station
- Lego City Progressive Build Design, Build and Launch Your Own Sprockets
- Robotics
- Build a Box

Just a reminder to parents that the Public Hearing on the Education and Town Budget is on Monday, March 21st, at 7:30 p.m. in Bethel High School's auditorium. Babysitting will be provided for children who are over 4 years of age and toilet trained. This is an opportunity to provide input to the Board of Finance on both the Education Budget and the Town Budget.

Sincerely,
 Alison A. Salerno
 Principal

March Calendar

Johnson School attends the Celebration of the Arts

On Monday, February 22, Johnson School had the pleasure of participating in the 17th Annual Celebration of the Arts, at the Aqua Turf Club in Southington, Connecticut.

Our school honorees are fifth graders Lana Schneider and Riley DiBiase. Both students were recognized for their outstanding citizenship, cooperative skills and artistic ability in the performing and/or visual arts.

CONGRATULATIONS TO BOTH OF YOU!!!
