Halloween Update
Children can wear costumes to school on Monday Oct 31st. Please make sure costumes are age appropriate. No masks are allowed, and please no violent or frightening costumes that can distract from the educational environment!

Dear Parents, Guardians, and Caregivers,

Parent/teacher conferences are scheduled for October 26th and 27th. Please note, your child's conference is scheduled with his/her homeroom teacher. If you wish to meet with a different teacher in the triad/dyad partnership, please let your child's homeroom teacher know. Additionally, at Johnson School we ask that students attend and participate in the conferences. Therefore, please be sure to bring your son/daughter with you to this very important meeting. There will be a half day of school for all students on both days. **DISMISSAL WILL BE AT 12:20 PM ON BOTH OCTOBER 26TH AND 27TH.** Teachers are looking forward to meeting with parents/guardians, as you are an integral part of our learning team. It is essential to keep yourself involved and informed about all of the programs that take place during the year, making your child's experience a memorable one. The most important contact for the parent/school partnership will be your child's teacher. Please make sure to sign up for your conference if you haven't done so already.

I am looking for volunteers to join me for a focus group that will review and discuss one of our school's goals "to ensure grading practices are clear to parents/guardians." If you are interested in participating, please email me saterno@bethelk12.ct.us.

Next week, Dr. Carver and Dr. Brooks will be joining me at our PTO meetings to discuss the Johnson/Rockwell renovation project. We will have two meetings on October 18th (9:15 am and 7:00 pm). Parents are invited and encouraged to attend.

Have a wonderful weekend.

Very truly yours,
Alison Salerno
Principal

The Bethel Public Schools District uses PowerSchool, an Internet-based student management information system. The information system includes a section known as the Parent Portal which will give parents the ability to access important information about their child(ren) over the Internet in a secure manner. All parents received a letter containing directions and information regarding your Parent Access ID and Parent Access Password. If you already have a Parent Portal account you can add your student to your existing account.
