Parent Network

Dear Parents, Guardians, and Caretakers,

Thank you for coming to our Open House Night. It was great to see such a wonderful turnout. Our teachers hope you enjoyed the presentations of their expectations, as well as the curriculum that will be covered throughout the year. In addition, I shared the implementation of our district-wide initiative, PBIS. PBIS stands for Positive Behavioral Interventions and Supports. The purpose of PBIS is to establish a climate in which appropriate behavior is the norm. Our school-wide expectations are that students demonstrate Respect, Responsibility, Readiness and Pride. Our PBIS team created a matrix of what our expectations look, sound, and feel like in all areas of the school (always focusing on being respectful, responsible, ready and proud). Over the next month or so, you may hear your child talking about how they are earning "Paw Prints" and what he/she is working toward. Please congratulate and celebrate these attributes whenever you see them.

Additionally, I shared our school-wide goal: to develop, analyze, and evaluate evidence, arguments, claims, and beliefs to make informed decisions and solve problems. To accomplish this goal, we will:

- teach students the specific key skills and mindsets of effective critical thinkers
- engage students in learning tasks that provide them the opportunities to practice and refine the key skills across the curriculum.
- provide opportunities for students to meet in collaborative group settings where they may construct new learning, consider the viewpoints of others, and reflect on their learning experiences.

At home, you can support this goal by:

- increasing responsibility and accountability
- ask your child multiple ways to solve a math problem
- encourage your child to solve real problems (big and small)
- discuss age appropriate current events with your child(ren) and ask them to consider the viewpoints of others.
- encourage your child to self-advocate
- help your student brainstorm ways to problem solve the challenges of working with others.
- help your child practice coming to consensus in everyday situations

The Johnson School staff and I look forward to working together to make certain your child grows academically, socially, and emotionally.

Very truly yours,
Alison Salerno
Principal

Welcome to the R.M.T.Johnson School Library! VOLUNTEERS NEEDED!!!!

Dear Parents/Guardians,

I am thrilled to serve your child as his/her library media specialist! I look forward to helping him/her become a critical thinker, enthusiastic reader, skillful researcher, and ethical user of information!

Students take part in book exchange during Media Morning. Media Morning occurs from 8:00-8:15 daily on a rotating schedule. I will also be collaborating with your child's classroom teachers on whole class projects as well as research and informational literacy skills. Throughout the year, I'll teach them how to find and use resources, use the research process, appreciate literature, and more.

Please encourage your child to enjoy and take care of our library materials and return them for more. Also, please enjoy the library books WITH your children!

We could use parent volunteers to help out in the library during Media Morning! I am in need of volunteers from 8:00-8:15 on a daily basis.

I also can use help with reshelving of books in the media center.

If you are able to assist with either Media Morning or reshelving of books please contact me at Weinberga@bethel.k12.ct.us.

Happy Reading!
Mrs. Weinberg

Be a Part of the Art Club @ Johnson School ☺

Art Club concentrates on the creative process through an introduction, exploration and creative use of a variety of art media, including both 2-D & 3-D art materials. Students expand on their understanding of different art cultures, artists, art periods, and art techniques. Art club encourages children to uncover exciting new ways to express themselves in unique ways. It is also the perfect place to build friendships. Art Club is always great fun for everyone!

GO ORANGE!

September is No Kid Hungry Month. No Kid Hungry is Bethel Public Schools' opportunity to be a part of a movement that has a real and lasting impact on the mission to end hunger in America!

Students and staff please spread the word about hunger awareness and **GO ORANGE** on Friday, September 22nd!

We will be holding a food drive at all Bethel Public Schools on Friday, September 22nd and encourage students to donate a kid-friendly food item; kid-friendly means that it can be opened and consumed without adult assistance. These items will be distributed by school social workers and other agencies **RIGHT HERE IN BETHEL!**

Popular items at our food drive last year were macaroni & cheese, pre-packed snacks (i.e. pudding), pop-top soups. Please bring your item to your school's cafeteria on Friday, September 22nd.

Ways to show your support:

Wear **ORANGE** clothes

Decorate your classroom or doors in **ORANGE**

Donate a canned or dry good item for our 5th annual food drive

There will also be a jar at each school for teachers and students to donate dollar bills or loose change to this cause.

However you choose to participate, **THANK YOU** for your commitment to end childhood hunger in our Community!

Yoga for Strength

This is a yoga class designed to meet you where you are. You will be guided through a series of fun and challenging yoga postures to increase strength, balance, and flexibility. We'll learn some revitalizing breathing techniques to sharpen our focus while releasing tension. Taran has worked with students of all ability levels and he will happily teach you to modify the postures using props. His classes tend to be casual; you'll have a chance to experiment with some of your favorite poses and ask questions. Taran likes to begin class with a reading that inspires, from texts like the Yoga Sutras or other meditative and uplifting books. These "sutras" or "threads" are woven into his teaching, and lay the foundation for his own practice.

Taran holds a bachelor's degree in exercise science, and completed his 200-hour yoga teacher training in 2015. He attended the Lotus Gardens Yoga School under the instruction of Lara Ward, in Seymour, CT. He has also benefitted from the mentorship of Heather Philip, former co-owner of Yogaspace, in Bethel, CT.

For your comfort, please wear layers of clothing you can put on during the cool-down, and bring your own mat and water bottle. If you have your own yoga blocks, a belt/strap, or a blanket/towel that you don't mind sweating on, feel free to bring those as well.

Day: Tuesdays Date: 9/26 -11/21 (8 wks.)
Time: 9:00-10:00a.m No Class: 11/7
Fee: \$85.00 Place: Municipal Center Stage

Tae Kwon Do

Tae Kwon Do is the art of self defense that originated in Korea. The name Tae Kwon Do is derived from the Korean word "Tae" meaning foot, "Kwon" meaning fist and "Do" meaning way of. So, literally Tae Kwon Do means "the way of the foot and fist". TKD has influences from both Japanese and Chinese martial arts.

Our mission at Bethel TKD is to provide a quality traditional Korean martial arts program in a safe and positive environment. In keeping the Korean tradition, our classes are well rounded and focus on the basics (stances, blocks, hand and foot strikes as well as hyungs/forms, sparring, physical conditioning, and self-defense. As a student advances, breaking and weapons will be introduced.

Men, women and children, ages 5 – 65+. Our goal is to make our students the best martial artist they can be. To build character and self-esteem so they can be successful outside of the Dojang. Great for the whole family! Great way to get in shape and learn how to protect yourself and the ones you love.

We are happy to partner with HOBBY QUEST Fall 2017!! Their programs are designed to be hands-on, fun and educational. Our focus is to help children discover new hobbies through fun and exciting enrichment classes, where they can explore their own creativity and hidden talents, and ultimately build "Skills for a Lifetime". In each of our classes, the students take home everything they build and learn!

Our flagship program is **Aviation** (which incorporates all STEM elements). Get into the cockpit and fly this fall with Hobby Quest's Airplane Captains! As a commander in this exclusive flying club, you'll learn the fundamental STEM concepts to build your own aircrafts. This year we are back with ALL NEW high-flying models! The Batman is a super-high-flying rubber-band powered helicopter that will shoot for the stars! When you're ready to fly as far as a football field, we'll build the electric seagull, a battery-powered plane that will fly incredibly far and long! Class is the perfect combination of STEM learning, building and flying fun! **Build it! Fly it! Keep it!**

We also offer **Magic**, which is a hands-on and fun introduction to the world of magic performance! If you love illusions and mysterious feats, join us in Magic Illusions and learn how to **become a real magician!** Reading your audience's minds will be a piece of cake after you master your Dice Prediction and Spirit Plates tricks! You'll dazzle your friends with the color-changing Chameleon Chip and the Exploding Dice! For the finale, we'll invite your friends and family to witness your new magic skills at a real magic show! Class is designed to enhance **communication and performance skills in a supportive, creative atmosphere!** **Learn it! Perform it! Keep it !**
