Dear Parent(s), Guardian(s) and Caregiver(s),

As the weather grows cooler and the leaves begin to fall from the trees, the walking trail behind the playground becomes visible to students. At this time every year students begin to notice individuals walking the trail. I want to assure you that our teachers are stationed around the playground and at no time are students permitted behind the fence which borders the perimeter of the woods and walking trail.

Additionally, some students have commented on a fort type structure behind the tree line. This structure has been there for quite a while and there is no reason for concern. In fact, one of the PBIS rewards is building a fort with our Science Instructional Coach, Ms. Nielsen! If you have any questions or concerns, please do not hesitate to contact the school.

A reminder that teacher conferences are next week on October 25th, 26th and 27th

**DISMISSAL WILL BE AT 12:20 PM ON ALL
THREE DAYS.**

Very truly yours,
Alison Salerno
Principal
