Dear Parents, Guardians, and Caretakers,

Happy New Year!

As we embark on a new calendar year, I would like to stress a few safety reminders. Please note, the driveway in front of the school is one way. Further, before 8:15 am students must be dropped off in the car lane at the crosswalk. Please do not drop your child off before the crosswalk and let them cross the barriers, as this is a real safety issue. There is supervision for the students at the crossing. In addition, please make sure your child is exiting the car on the RIGHT side, to step into the crosswalk, rather than having them walk around the car. Following this procedure will ensure the safety of all students.

When visiting Johnson School, all visitors must check in at the main office and receive a Hall Pass badge. If you are not already in our system, you will be asked to provide a valid driver's license as a form of identification and have your information entered into our system. When leaving the building, please make sure you are returning to the main office to check out of the school.

In addition, we ask that any dismissal changes be in the form of a note to the classroom teacher. If your child is signed up for an after school intramural club or the after school care program and will NOT be staying, please make sure you send in a note, as we do take attendance. We understand at times plans change urgently. If this is the case, please call the main office as soon as possible.

Attached is a list of important reminders for your review.

Have a great weekend.

Very truly yours,
Alison Salerno
Principal

IMPORTANT

- It is important that you have a plan in place for how your child will be dismissed in case of an early dismissal (bus or parent pick up). Please go over this with your child. Many children still do not know what to do in case school is unexpectedly dismissed early. Remember, all intramural clubs as well as the after school program will NOT run on early dismissal days (scheduled OR emergency).
- REMINDER! Please DO NOT park in the emergency lane in front of the school, even if you are only coming in for a brief moment! For the safety and security of our staff and students, this lane must be kept clear **at all times!** Please park in a designated parking space.
- If your child is going to be absent you **MUST** call the attendance line in addition to sending in a note. The attendance line is 24/7. Dial the main number and press option #1.
- If your child is tardy, you must park and walk them in to the main office and sign them in. Please **DO NOT** drop off your child and leave. Our school day begins promptly at 8:15 am. If you are unsure if your child is tardy, please park and come in.
- SAFETY REMINDER! Our driveway is one way in and one way out! Please note the one way arrow.
- If there is any change to your child's dismissal, please make sure you send a note! Please indicate first AND last name of student as well as first AND last name of the person responsible for picking up. A copy of our dismissal note can be found [HERE](#).
