Dear Parents, Guardians, and Caregivers,

This week we celebrated our Johnson Pride Students of the Month at a breakfast. Together, with families we recognized students who emulated the Pillars of Johnson Pride-*Respect, Responsibility, being Ready, and Proud.* The breakfasts, Johnson Pride Stamps (which can be redeemed at the Johnson Pride store), and our game room, are just a few ways we acknowledge students for positive behavior.

Currently, students are trying to demonstrate kind and appropriate behavior in all settings. To this end, students who have earned 100+ Johnson Pride Stamps will have first choice of the movie they would like to see on June 21st at Bethel Cinema. On this date, students will be going on a field trip to see an Earth Day movie. The purpose of this field trip is to raise awareness and support of environmental issues. The choices of movies are: *Oceans, Chimpanzees, and African Cats.* Please note the trip is free of charge to students as it was fully funded by our PBIS activities. *(If students choose to purchase water or popcorn there is a fee-see permission slip).

Please be sure to check with your child as the field trip form was sent home today.

Very truly yours,
Alison Salerno
Principal
